# BRIAN K. ALLEN

PE, LEED AP

SENIOR PROJECT MANAGER

Brian has 28+ years of experience in all phases of construction management and design/build. Prior to joining Robling Architecture Construction he was employed as a Construction Manager with a background of expertise as a mechanical engineer. He is a registered Professional Engineer and is also a LEED Accredited Professional. He is responsible for overseeing the preconstruction, coordination and administration of contracts on a day-to-day basis. He actively participates in estimating, scheduling, submittal review, construction coordination and all matters pertaining to the project.
