JESSICA HEWTTY

PROJECT COORDINATOR

Jessica has recently graduated Palm Beach State College with an Associates in Science Degree in Interior Design. She has 3 years of experience participating in a variety of activities on design and construction projects for the SDPBC, PBC CID, FAU, and developers. Her role in assisting the project managers allows her to connect her education to design practices. Jessica takes pride in maintaining excellent client relationships and is well-rounded "team player". She is proficient with AutoCAD, Revit, Autodesk design softwares, and is well versed in design developing and schedules.
