

RUSSELL A. HAUSS

SR. PROJECT MANAGER

Experience

- 4 years as Project Manager at Robling Architecture Construction, Inc.
- 5 years as Project Manager at Bloc3 Design, Inc.
- 5 years as Project Manager at Evergreen Construction, Inc.
- 1 year as Project Manager at Klewin Construction, Inc.
- 3 years Project Manager at Song + Associates
- 3 years as Project Manager at Fanning & Howey Asso., Inc.

Professional Accreditations

- Proficient in AutoCAD and experienced in Revit design software

As senior project manager with over 20 years of almost exclusively Palm Beach County K-12 experience, Russ is responsible for the overall management of the project from award through closeout. He is directly involved in agency permitting, coordination, construction documents, QA / QC and assisting with construction administration. In addition to the 15 plus years Russ has as a design project manager, he also has 6 years of K-12 project management experience as a construction manager. Russ knows the SDPBC procedures, design criteria, master specs, is extremely proficient in AutoCAD and has a working knowledge of Revit. Russ leads the team using a collaborative, results based approach.
