

VICTOR JESTER

GENERAL SUPERINTENDENT,
CONSTRUCTION DOCUMENT REVIEW

Victor Jester has over 37+ continuous years of experience in the construction industry including CM at Risk and Design/Bid/Build of universities, public and private facilities. As general superintendent, Victor uses his years of experience to oversee, supervise and teach all of Robling's field personnel. His daily duties include working with the project superintendents to monitor project schedule, safety and quality. Victor's attention to detail is second to none and he uses that trait while reviewing plans prior to construction to point out potential conflicts and constructibility concerns.

Experience

- 14 years as Superintendent for Robling Architecture Construction, Inc.
- 24 Years of related work experience with other CM firms

Professional Accreditations

- OSHA Construction Safety 10 Hour course
- Certified Mold Inspector and Remediator
